License and Application Summary	Count
Annual - Adult Use	1,328
Annual - Medicinal	179
Total Active Annual Licenses	1,507
Provisional - Adult Use	4,037
Provisional - Medicinal	1,307
Total Active Provisional Licenses	5,344
Pending Applications By Type	2,705
Applications Approved BUT Pending License Fee Payment By Type	122

# Current Regulation Proposals

- ▶ Appellation Regulations
  - ▶ Establishes a process by which licensed cultivators can establish appellations of origin.
  - ▶ Just finished second 15-day comment period on 4/12/2021.
  - ▶ Next step: Submit final package to OAL
- ▶ OCal (Comparable Organic) Regulations
  - ▶ Establishes a comparable organic program for cannabis and cannabis products.
  - ▶ Regulations have not been finalized, but modeled very closely on the Federal and State Organic Programs.
  - ▶ The term “organic” cannot be used to market, advertise, etc. cannabis

# Past and Current Legislation of Interest

- ▶ SB 67 (2020) - Amended Appellation of Origin statute to include a City of Origin designation and clarify which cultivation types could create an Appellation of Origin.
- ▶ AB 1525 (2020) - Allowed disclosure of licensee information to financial institutions.
- ▶ SB 59 (2021) - Extending Provisional License Authority to 2028 and extends CEQA exemption for local jurisdictions.
- ▶ SB 398 (2021) - Pathway to state licensure for prohibited local jurisdictions.
